

## Department of Transportation (DOT) Update

---

The adjustment to civil penalty amounts was provided as a Final Rule by the DOT on **December 28, 2023** (*effective on the same date*).

The civil penalty increases noted in the Final Rule cover safety violations as well as some DOT agencies drug and alcohol testing related penalties.

---

**January 2, 2024**, the DOT sent a notice informing the public of the random testing rates for each DOT agency. All DOT agency random testing rates ***remain the same*** for 2024 from 2023 rates.
